SIDE VIEW & DECK LAYOUT | INBOARD ENGINE

-GENERAL CONCEPT

The MY47 is a super-fast, no compromise powerboat that delivers amazing performance with clean, flowing and minimalistic lines.

The 2 x VOLVO IPS 600 inboard engines not only power this amazing craft but also allow for maximized exterior spaces, low noise and excellent maneuverability.

Guests may lounge on the two large sunbeds fore and aft, bathe from the swim platforms on both sides of the yacht, or dine in the cockpit, equipped with cooktop, fridges and comfortable seats designed for the vessel's high performance.

The interiors provide accomodation for two guests and everything needed for this type of boat.

A master cabin at the foremost part of the yacht, equipped with king size bed, various lockers and private head with separate shower stall. Aftward it is possible to add a crew cabin, with a separate access and a private head.

- KEY DIMENSIONS	
LOA	15.900 M
HULL LENGHT	14.850 M
MAX BEAM	4.2 M
DRAFT	0.68 M
DRY DISPLACEMENT	9.000 KG
LOADED DISPLACEMENT	12.900 KG
- HULL DESIGN	
DEADRISE ANGLE (AFT PP)	21°
DEADRISE ANGLE (0.4 LWL)	24°
DEADRISE ANGLE (0.7 LWL)	30.5°
CATEGORY	A (OCEAN)
- SYSTEMS	
ENGINE	2 X VOLVO IPS 650
ANTI ROLL GYRO	SEAKEEPER 6
WATER TANK	450 L
FUEL TANK	1700 L
- PERFORMANCE	
CRUISING SPEED	20 KTS
MAX SPEED	40 KTS
- INTERIORS	
CABINS	1 + 1 CREW (OPT)
HEADS	1 + 1 CREW (OPT)
-APPLIANCES	
FRIDGES	1 X 130 L
INDUCTION COOKER	2 BURNERS
BOILER	40 L

SIDE VIEW & DECK LAYOUT | OUTBOARD ENGINE

-GENERAL CONCEPT

The MY47 is a super-fast, no compromise powerboat that delivers amazing performance with clean, flowing and minimalistic lines.

The stepped hull allows for control and comfort at higher speeds, thanks to the reduced trim and wetted surface area, making your voyage fast, safe and enjoyable.

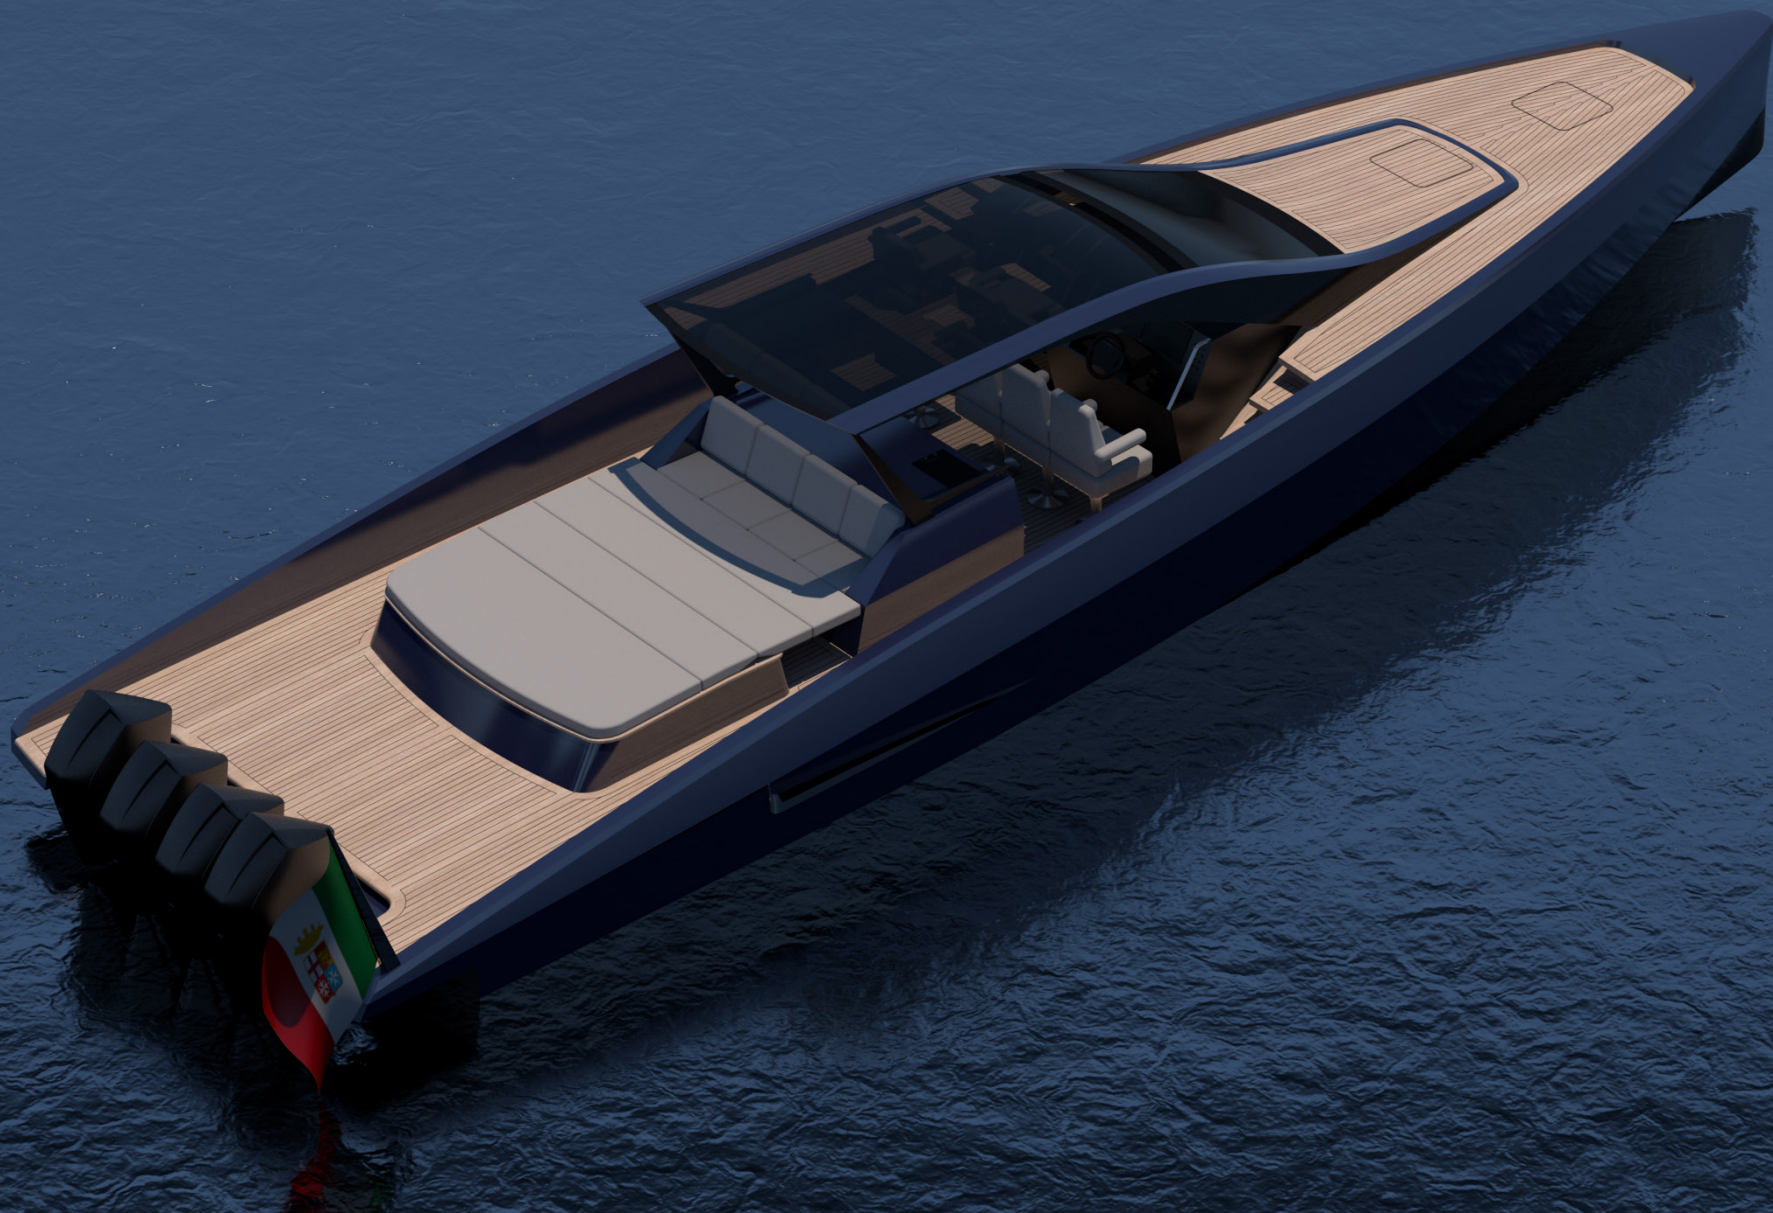

The 4 x MERCURY 450R outboard engines not only power this amazing craft but also allow for maximized interior and exterior spaces.

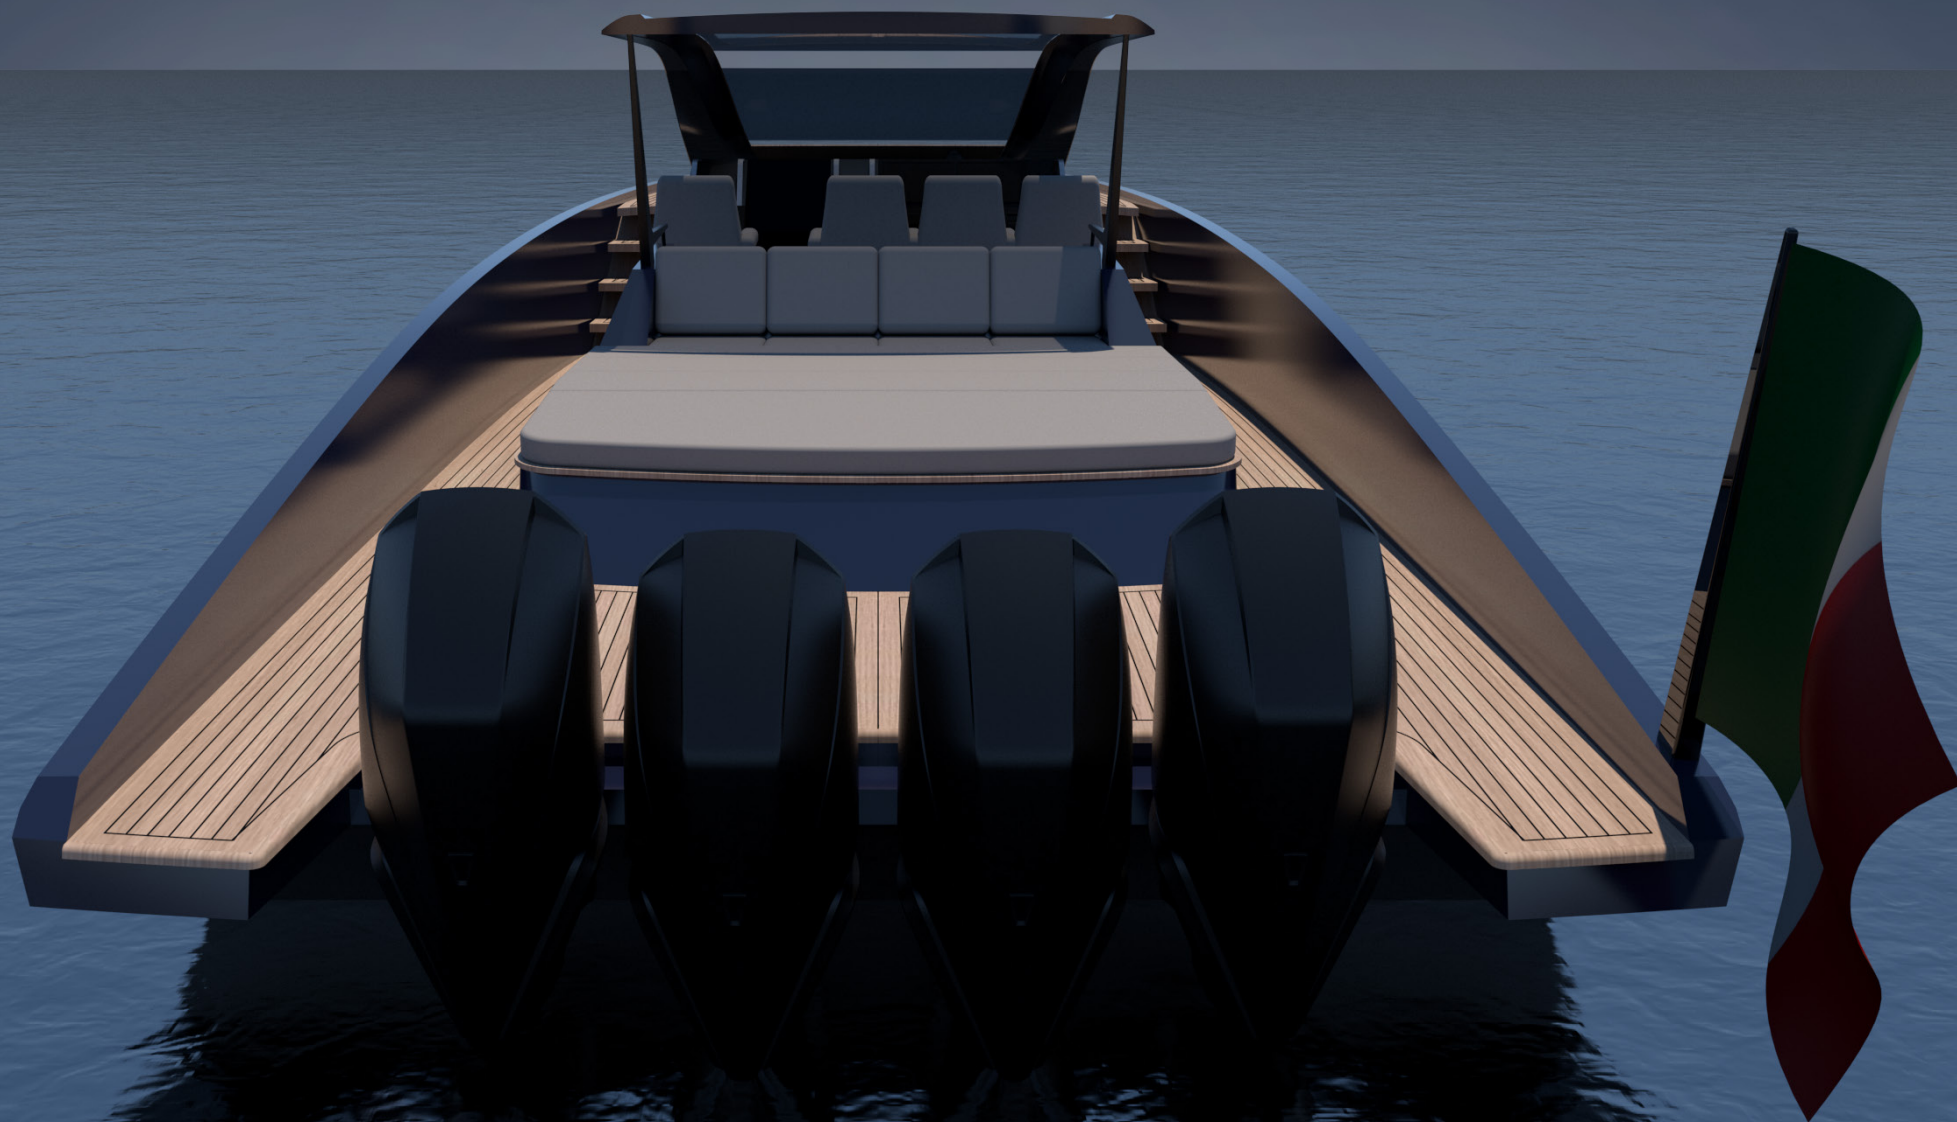

Guests may lounge on the two large sunbeds fore and aft, bathe from the swim platforms on both sides of the yacht, or dine in the cockpit, equipped with cooktop, fridges and comfortable seats designed for the vessel's high performance.

The interiors provide accomodation up to four guests, with the optional aft cabin and everything needed for this type of boat.

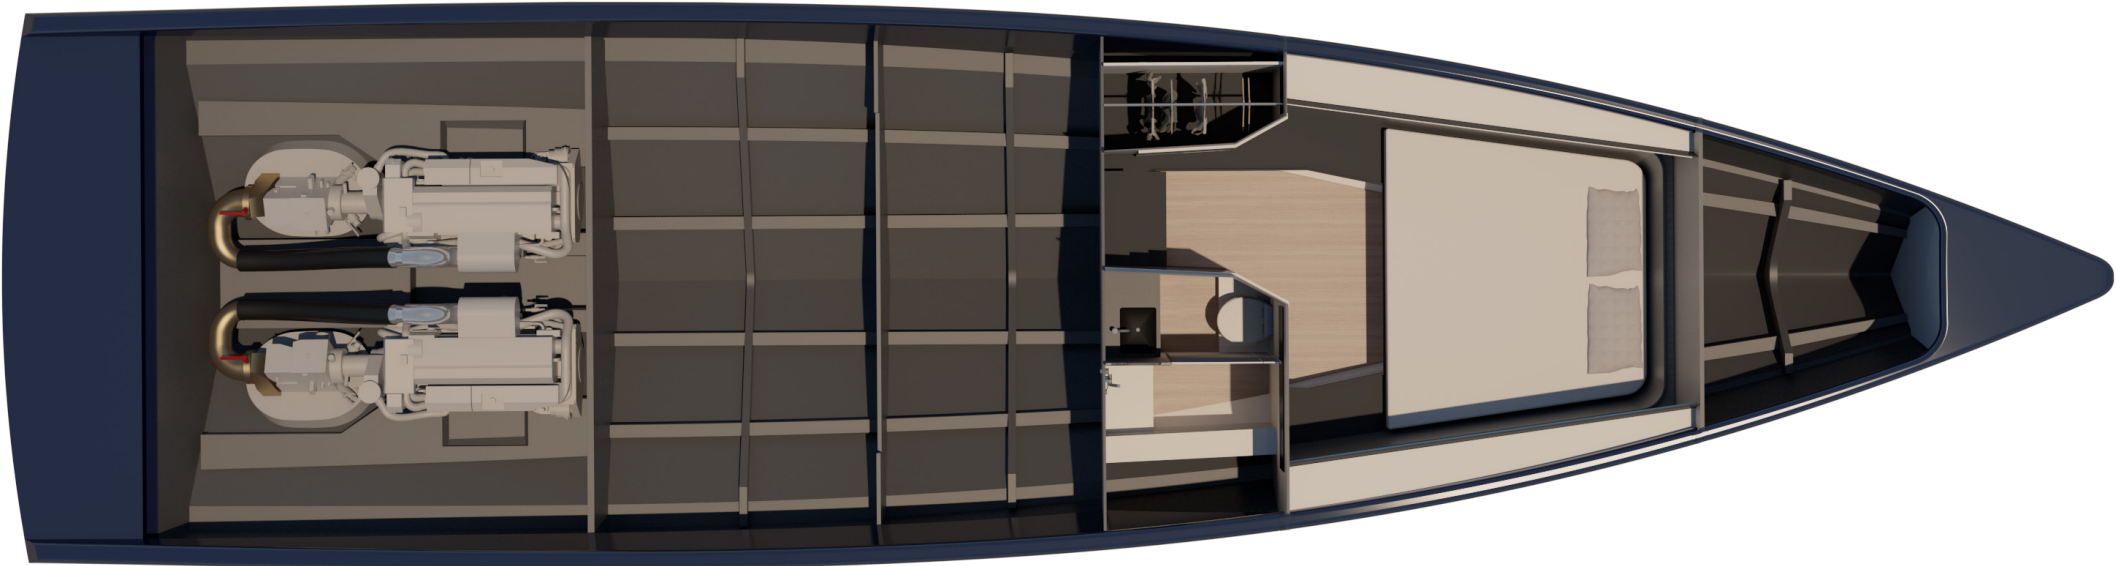

A master cabin at the foremost part of the yacht, equipped with king size bed, various lockers and private head with separate shower stall. Aftward it is possible to add a guests' cabin, with a separate access, double beds and a private head.
